Re: 2019 Board of Directors Candidacy

The Pleasanton Girls Soccer Association Annual General Meeting has been scheduled for October 10, 2018. A Nominating Committee has been formed and is actively seeking Board of Director candidates to begin a two (2) year term beginning in January 2019. The candidates for the Board positions will be voted on following the AGM and announced in November. At the first Board meeting of the calendar year, the Officers of the Club will be elected to a one (1) year term.

Our Club is a non-profit organization that is successful because of our many volunteers, Board Members, and professional staff. Please consider a Board position where you could provide your expertise or assistance to help support the operations of the Pleasanton Girls Soccer Association.

Included in this packet is a brief description of the Board of Directors' Roles and Responsibilities as well as an Application for Candidacy. If you would like to be considered as a candidate, please fill out the application and send to:

Martha Brown, RAGE Parliamentarian

OR email the application to: parliamentarian@pleasantonrage.org.

Thank you,
